Why do we love to stitch? After all, you can purchase mass-produced embroidered items at many high street stores. These days, handmade means something special – a unique item created with love, a gift from the heart, not one that can be bought. Hand stitching is also a great way to personalize an item, or even to breathe new life into an old favourite that has seen better days.

[Bustle & Sew](#) offers my own unique patterns, designed to appeal to all skill levels and bring out your natural creativity. And you can keep up-to-date with all the latest news on the [Bustle & Sew Blog](#).

But none of this would mean anything without you, the stitcher. And it's lovely to be able to share hints, tips and techniques with other like-minded folk.

PLEASE SHARE THE LOVE: I am happy for you to circulate this free calendar as widely as you wish – with just two conditions: Firstly that you leave all links to my [website](#) and [blog](#) in place. And secondly, it is not a commercial publication and must not be reproduced for resale in any form.

Best wishes

Helen xx
