

# Bustle & Sew

Love to Sew and Sew with Love .....

## Funky Chick Embroidery

Funky 1970s bird stitched in electric melon colours makes a wonderful centre panel for this simple patchwork cushion cover.

Stitches used are back stitch, satin stitch and French knots.

DMC floss colours 166 (yellowish green), 552 (purple),

702 (grass green), 727 (yellow)

970 (orange), 996 (turquoise) and 3832 (pink)

The cushion has a simple envelope closure at the back and you will need 9 x 6 ½" squares of cotton fabric to create your patchwork front. (including plain fabric for embroidery)

The pattern transfer is shown actual size (5 ½" wide) but you may need to adjust it depending upon your printer settings.

If you like this free pattern, then you will probably enjoy my "Groovy Bird" cushion cover pattern available from my website:

Here's the image reversed to suit whichever transfer method you prefer. Not sure how to transfer from a pattern download? You'll find some hints and tips on my website. And I share lots more patterns and tutorials with subscribers to my free newsletter – [just click here to subscribe](#) – it's absolutely free and I promise *NEVER* to share your email details with anyone!
