

Bustle & Sew Spring Stitchalong 2015

This week brings the second book.

I have continued to use stranded cotton floss, working in two strands, and remaining within the same colour scheme. I haven't changed from this as I want the design to remain cohesive and I think switching around too much will make it look bitty.

Stitches I used are:

Waves - twisted chain stitch

Boat - satin stitch

Gulls - fly stitch

Clouds - coral stitch

Sky (from left to right) threaded chain stitch, running stitch, thorn stitch, running stitch, wheat ear stitch.

Sadly I haven't been able to make any new videos this week as I've been struggling with IT issues, but hope to bring you another video before too long. On the next page are diagrams to work the stitches I used...

But don't forget these are just suggestions and not obligatory. I'd love to see what other people are stitching too and you can post your pictures either in the [Flickr](#) or [Facebook](#) Groups.
